Dear Parents,

We are writing to inform you of a new addition to our COVID mitigation strategy for our school - **“Test to Stay.”**

“Test to Stay” (or TTS) is a program that, when combined with regular mitigation measures, allows **unvaccinated or partially vaccinated** individuals who are identified as a **close contact to a case of COVID-19 in certain school settings** to continue in-person learning, so long as they remain asymptomatic and serially test negative for COVID-19.

What does this mean for you?

If you choose to participate and your child is identified as a close contact of a COVID positive individual due to a school exposure they will no longer need to quarantine so long as they participate in the Test to Stay Program and remain masked in school and asymptomatic during their testing window.

If you would like to take advantage of this program, please use the link below to consent your child. Your access code for your child’s school is listed below please be sure to use the correct school code.

Grades 9th – 12th High School Access Code: 9JJNR0

Grades 6th – 8th Educational Center Access Code: 62X19H

Grades 3rd – 5th Elementary Center Access Code: SAS6BB

Grades K – 2nd Kennedy Early Childhood Center Access Code: 6PCGM3
